

# Northeast Cluster Spring Program and Annual Meeting

## ***As You Like It***

May 3, 2008

UU Church of Brevard, W. Melbourne

9 a.m. to 3 p.m.

UUs everywhere will get a chuckle out of Northeast Cluster's Spring program, patterned after this hilarious William Shakespeare play.

We are putting **YOU**, the respective representatives of the dozen or so UU churches in our cluster, **Center stage**, as you relate the trials and tribulations of leadership in Unitarian Universalist churches.

Rockledge's President, Bill Scott, has agreed to emcee the program, slated for Saturday, May 3 at our cluster's newest member church, Unitarian Universalist Church of Brevard in West Melbourne. We confess there are going to be a couple of "plants" in the audience to get the ball rolling but your participation is essential to a meaningful program which will help your fellow UU leaders better deal with similar situations when they come up in their congregations.
