

Join us for a Drumming and Spirituality Workshop!

Members, guests and friends of the Unitarian Universalist Fellowship of Vero Beach are invited to attend this exciting workshop, to be held **2-4 Sunday October 1** in the Fellowship Hall. The workshop will be lead by UU General Assembly percussionist **Matt Meyer**, who participated in Rev. Gail's Sunday morning worship service in St. Louis, as well as several other events at G.A. Matt will lead our congregation in worship Sunday morning and then lead this workshop for interested folks Sunday afternoon. **The requested donation is \$10** to help defray expenses involved in bringing Matt to Vero Beach.

Matt's Drumming and Spirituality workshop will provide a unique opportunity for people of all skill levels to discover the spirituality that rhythm has to offer through hands-on experience with drumming. Matt promises that participants will leave with a greater understanding of not only the mechanics of rhythm making, but a much broader sense of how rhythm and music can positively affect our lives and relationships. For more info or to sign up for Matt's drumming workshop, contact Worship Committee chair Colleen Kessler at colleenmariekess@comcast.net or 569-8698. Please leave your name and a call-back #. Bring your drum or any percussion instrument. You are also welcome to attend without an instrument.

Matt is an artist of percussion, knowledgeable and experienced in a variety of styles, including Latin-jazz, Brazilian, folk, funk, Hiphop and pop. He is a graduate of Berklee College of Music and has studied in Cuba, Ghana, and Central America. For more information about Matt, view his website: www.rhythmrevelations.com.
