(Directions and maps on other side)

Don't be scared! Rev. Mary Higgins will lead us through an area that we normally don't want to think about. She will show us ways to protect our children and youth, our volunteers and our financial resources. How can we preserve our 501(c)(3) status and protect our employees and programs? Each congregational team will receive a copyrighted Congregational Risk Management Audit Packet. These packets will guide congregations to do an assessment and develop a preliminary risk management plan.
